Other Business:

- JR Card was in. He told the selectmen 5 loads of Salt has been delivered (300 ton), and he will be putting sand in within next few days.
- He also told the selectmen that he is looking into what can be done on Doughty Rd at the culvert. The State has said the Town is responsible for taking care of it.
- Marc asked him if he will be able to get the Carter School lot graded soon. Jr. said he is waiting to get some of his equipment back and will do the job the first of next week if not before.
- Jr. dug the ditch for running an electrical line down to the recycling center last Thursday and electricity is now connected to the small building down there.
- Regarding the site on Litchfield Rd which was discussed in last week's meeting, Clyde said he has asked Dennis to take a look at it to determine status of permits and septic system.
- Michelle said she has contacted Tyler Washburn and Kim about meeting with the selectmen and the public in November. Kim declined, stating the public has many opportunities to give input. Tyler obliged and is working out a suitable time. The public will be notified of this meeting.
- At 7:20 PM, Deb made a motion to adjourn, Marc seconded, the vote was unanimous and the meeting adjourned.
