Other Business:

- In a discussion about the Keleher's application for a daycare in their home, apparently there is no record of the septic design in the Town records. Ryan said he wrote a letter to the Planning Board. Michaeline disagreed with his interpretation. Michelle asked who she could appeal to if the license is denied because she has no way to get a copy of the Septic design. Marc said it is the Appeals Board. He asked Carol to check with Appeals Board members to see if they need to be sworn in again.
- Junior Card told the Selectmen Culverts on Doughty Rd and Dead River Rd which were replaced by the State now need repairs. The State is now trying to turn this over to the Town to do the repairs.
- The bills from Wight's Sporting Goods were approved for payment by Justin Keleher
- Tom Garrepy said he has not heard from Roger Roy since we called him problems with the new roof during the winter. Carol will call him again.

Adjournment: 7:40 PM, Marc made the motion, Deb seconded, 3-0 vote & meeting adjourned.
