The "American Rescue Plan" was discussed which is money from the Federal Government for Non Entitlement municipalities in the State of Maine. We are waiting to receive more information on this Project.

Talked about buying new signs for the 3 ball fields over at Bowdoin Central, the money for these was earmarked from the sale of the old school. One of the Selectmen was asked about these signs, happens to be a family member of the person inquiring about the signs. Talking with Karen at Bowdoin Central, she is very familiar with what happens and when.

Adjournment at 7:20pm, Marc made a motion to adjourn, Deb seconded the vote, it was unanimous and meeting adjourned.
