The Fire Chief came in to talk about his budget requests and some ways of getting more staff for the Fire Department. He is putting together his stats on Fires and EMS calls for the Selectmen, this will be able to let the Selectmen know how many calls are coming in and how many calls they can't make due to staffing. The EMS calls are usually attended by the Lisbon Emergency, it is the Fire calls that are a concern. The Selectmen and Fire Chief discussed different scenarios, all of which cost money. The Chief has been and continues to talk to surrounding areas to see what they can come up with for back-up.

The Selectmen worked on the Budget and Warrants and will continue to until it is complete.

**Other Business:**

Adjournment at 7:45pm, Marc made a motion to adjourn, Deb seconded the vote, it was unanimous and meeting adjourned.
